the head of this article has for some time been the subject of bitter and persistent attacks from part of the country press of negligence," in the discharge of his duties, with being a "side-partner," as the Lexington Leader has it, to Tate, in hi slight foundation, and are so easily disthey have been quick to think ill of a faith-Harry Phillips, Richmond; Peck's ful official, merely for the sensation that Bad Boy, b c by Bourbon Wilkes, dam could be created. The charge of complicity with Tate is one too ridiculous to make some statements in regard to the

> FIRST. Gen. Hewitt has not been neglectful of and inattentive to the duties of THIRD. His conduct in the Tate matter is not inexcusable, although Gen. error, used that term.

tions we refer largely to the files of some McKee & Traynor, Richmond; Min- of the very newspapers who are now bitpages, we have read, not more than two years ago, the highest commendation and approval of his course, in stronger terms than we have here used. In the last campaign no other candidate received such flattering endorsemnt from the press at large as did General Hewitt. Not merely general commendation, but positive statements. If all this is untrue, how grossly and criminally neglectful the press of this State then was, in making such positive statements about the great financial ability any close attention to the duties of his office, of a man who they now say was criminally neglectful of duty at that time If they didn't know, why didn't they find out? Could anything be more criminally careless and wicked than for the press Kentucky to make such endorsement of

man, on the eve of re-election, when they knew absolutely nothing as to the manne Richmond Commercial Club Stakes ; kind? Ah, but the point is, they did quite as much as his popularity, was the record of the masterly manner in which his duties had been performed. We have not had a mere machine in the Auditor's Smith & Owings, Harrodsburg; Bon- office. Look at the Hewitt Revenue Law, which replenished the offices of the State tion. Was that the work of a man ne that conceived in criminal carelessness and

tor's conduct in the Tate matter is not inthe conduct of probably every man in the defines the duties of the Auditor in regard before you buy at to the Treasurer. Gen. Hewitt's predecessors had placed a liberal construction upon the law, and he merely followed the Phil Roberts, Richmond; Hylas, Jr., customs of his predecessors in office. It was wrong, undoubtedly, but it was not inexcusable, and would have occured with under the same circumstances. Moreover, in Gen. Hewitt's testimony, he does not apply the term "inexcusable" to that, the Secretary of the State, at one of the

settlements with Mr. Tate. If there has ever been an honorable nest, incorruptible, statesman-like man onnected with the government of this State, Gen. Hewitt is all of these things But it is a dangerous thing to be a popular idol, and Republics are ungrateful. So it is that Fayette Hewitt, after a life
